- Community Helpers
- Introduction to American History
- Children Around the World
- Presidents of the United States

Science

Complete the following series:

- Plants: God's Plan for Seeds
- Animals: God's Plan for Animals of the Earth and Sea
- Health and Human Biology: God's Plan for Me
- Earth and Space: God's Plan for Weather and Seasons; Day and Night; Earth and Planets

Art

- Create weekly art projects using multiple mediums

There is typically no homework in Kindergarten. Extra practice pages will be sent home but are optional. If a student does not finish his/her Center work, it may be completed at home. We encourage students both in class and at home to enjoy drawing, using scissors, pinching/grasping, squeezing, and lacing activities to improve fine motor skills. In summary, each day is busy learning about God's world, developing academic and social skills to prepare each student for the next step in his/her education. **LCS uses the A Beka curriculum. We believe the A Beka curriculum sets LCS apart from other schools and builds a solid foundation to succeed in private or public school.**
